

HEY LIONS!!!

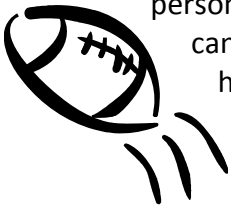

Do you have too much stuff? Do you wish you could get rid of it AND make some money in the process? You are in luck!!

Spring High School Football Booster Club is hosting its first annual "Roaring Good Rummage Sale" on October 8, 2011 beginning at 8:00 am and ending at 12:00 pm. You can bring all your gently used items and sell them right in front of the school in the parking lot by the softball field! We will have the football tunnel out for high visibility to Cypresswood and to the feeder road for I-45 (LOTS of customers!). You can have your own personal rummage sale right in our parking lot; and best of all....you get to keep all the money you take in!

The football booster club will rent the parking spaces so you can have your own personal "booth". The space rent will be \$25 for one space or \$40 for two spaces. You can support the football program and make some money all at the same time. If you have leftovers and you don't want to take them back home, we have arranged with Goodwill to have a truck at the school at Noon and you can donate your leftover items to them and go home with nothing but cash in your pockets, or you can take your leftovers back home with you, it's your choice.

Don't have anything for a rummage sale? Do you make crafts? Have a hobby? You can sell anything you like as long as it fits into your allotted space (and it's legal to sell)! So tell your friends, family and neighbors to gather up what they don't want and come sell it! We will also have light concessions for sale.

To reserve your space(s), please contact a member of the football booster board at booster@springlionsfootball.com or call Diana Todd at 832-331-8220. Space rental will need to be paid by cash (no checks or credit/debit cards) and paid by October 6th, 2011.
